▶ Laguna Shellstone can be fabricated into fireplaces columns, window and door surrounds and more with proper lead time.

## SEALER

▶ Laguna Shellstone is a very dense material and will remain clean and not attract mold and mildew in exterior applications, once it has been sealed properly. Coral Classics by A&P, recommends "Premium Impregnating Sealer by Dry Treat" for all flooring, interior or exterior and "40SK Consolidator & Water Repellent by Dry Treat" for cladding applications.
